

# HASTINGS

## FRONT GLAZED FRAMING

The Hastings Front Glazed Framing is a versatile and flexible system available in two frame depths, 101.6mm and 150mm x 50mm. Ideal for shopfronts, upmarket residential and commercial applications.

With its straight cuts and front glazing the Hastings not only looks good, but is easy to fabricate and easy to install. Suitable for a range of single and double glazed options.

### Key Features

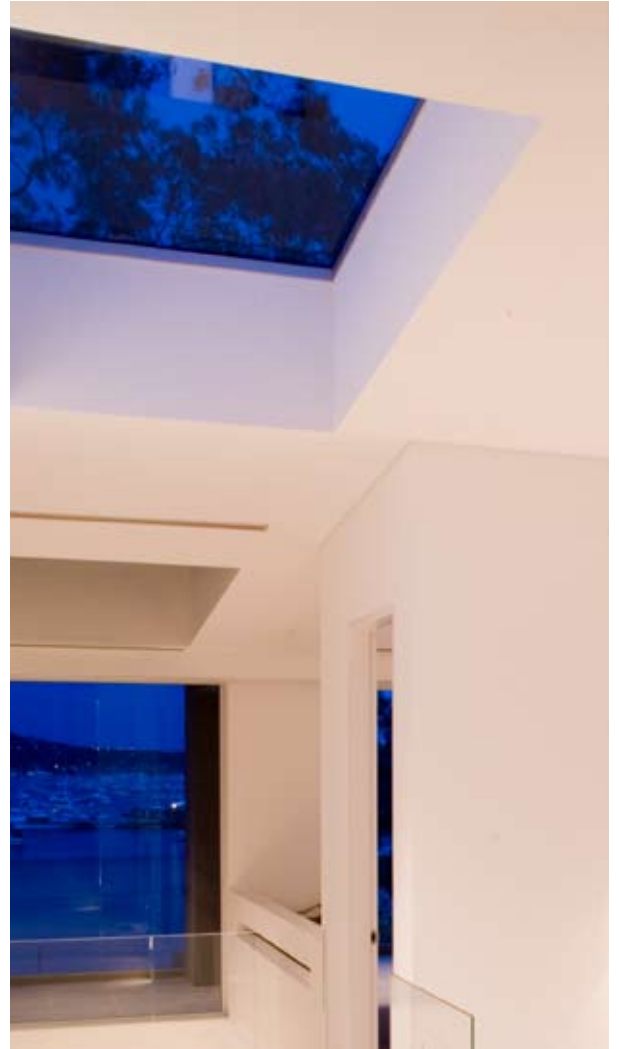

- Sharp unbroken lines
- Front glazed appearance
- Robust frame
- Good weathering
- 4mm up to 12.4mm single glazed and up to 25mm double glazed options
- Easily adapts to ALSPEC's hinged doors

### Specifications:

For structural performance refer to the ALSPEC Technical Manual.

### Commercial Framing

- Designed to meet AS2047
